# CURRICULUM

Any course listed in this catalog with a prerequisite assumes a grade of C– or better in the prerequisite course, unless specified otherwise by the department or program in its course listings.

Courses numbered 1 to 99 are lower-division; courses numbered 100 to 199 are upper-division; courses numbered 200 to 599 are graduate. Course numbers which are hyphenated (e.g., **Accounting 160–161**) indicate that the course is continued from the previous term, and that the first part is normally prerequisite to the second part. Credit is given for each part.

If a course is a practice-oriented, studio, or activity course, or for other reasons is not acceptable as a course which fulfills an Area requirement, it is marked: \*Does not satisfy an Area requirement.

Final information concerning course offerings and class schedules will be issued at the time of registration for each term. (January Term courses are listed separately in a special catalog published each fall.) The College reserves the right to cancel any course for which there is inadequate enrollment.
